

HOW CAN THE TAX CREDITS HELP ME?

Historic preservation tax credits lower your tax bill, which can increase your tax refund.

Preservation tax credits can be used to offset the cost of rehabilitating and restoring historic buildings.

WHEN CAN I APPLY?

Applications for the residential state preservation tax credit are accepted year-round on a rolling basis. Applicants may apply at any time. Applicants are encouraged to apply before starting work or in the early stages of the rehabilitation project.

Note: Each building is limited to \$50,000 in credits over a ten-year period unless the building is sold to a new owner.

WHAT TYPE OF PROPERTY IS ELIGIBLE?
